Notice is hereby given that, under G O., No. 24, Educational, dated the 15th January 1909, the examination in the following nine subjects prescribed for the Diploma in Agriculture—open only to the ex-students of the late Madras College of Agriculture, Saidapet—will be held *once only* and *for the last time* in April next :—

Subject.	Grade.
Agriculture	Advanced.
Agricultural Chemistry	Do.
General Chemistry	Intermediate.
Surveying and Levelling (Special)	Do.
Agricultural Engineering (Special)	Do.
Meteorology and Geology (Special)	Do.
Botany (Special)	Do.
Veterinary Science and Hygiene (Special)	Do.
Anatomy and Physiology (Special)	Do.

Note —(1) The rule requiring candidates coming up for the Examination in Agriculture (Advanced grade) and Agricultural Chemistry (Advanced grade) to have passed previously in General Chemistry, Botany (Special), Meteorology and Geology (Special), Agricultural Engineering (Special), Surveying and Levelling (Special) and Anatomy and Physiology (Special), will be *relaxed* in the case of candidates entering for the examination.

(2) No candidate will be admitted to the examination in Agriculture unless he has produced a certificate from competent authority showing that during one season he took his full share in the work of cultivating not less than four acres of mixed cropping, or managed a farm of ten acres or more for at least one year.

2. Such of the ex-students of the late Madras College of Agriculture, Saidapet, as have yet to complete their success and qualify for the Diploma in Agriculture, are warned that all of them should appear at the examination to be held in April next in all such subjects as they have not already passed in, as no further examination will be held.

3. No exemption will be granted to those candidates who fail to send in their applications, or, having sent them in, absent themselves from the examination, or fail to secure a pass in the several subjects and qualify for the diploma.

4. Diplomas in Agriculture will be granted to candidates who have already passed in the nine subjects prescribed therefor, though not in the order referred to in paragraph 2 *supra*, and also to those who similarly complete their success in the nine subjects in all at the examination of April next.

5. The dates and the place of examination for the Written tests and for the Oral and Practical examinations will be notified in due course in the *Fort St. George Gazette*

6. The Written tests and the Oral and Practical examinations in such subjects as require them will be held at those places only where satisfactory arrangements can be made for the conduct of such examinations. Candidates must, at *their own expense*, proceed to these places to undergo examination.

N.B.—*To guard against disappointment in the case of such of the Oral and Practical examinations as may be held before the Written examinations, candidates are recommended to refer to Part I-B of the* Fort St. George Gazette *from time to time.*

7. Each candidate must, wherever the syllabus requires it, submit, *on or before the 23rd February next* the necessary drawings, plans, surveys, field-books, estimates, or other "certified works." Each of the drawings, etc., submitted must have entered on it the name of the candidate and the subject and grade of examination for which he appears and must be certified to be his own unaided work by the head of the institution or office to which he belongs, by an officer of the Public Works Department not below the rank of Supervisor, by a District Board Engineer, by the Engineer of the Corporation of Madras, or by an Engineer of any Railway Company.

Candidates are specially warned that no certified works will be valued by examiners unless the certificate of authorship is quite satisfactory, and specifies clearly the period of time occupied in the execution of each work and unless the examiners are satisfied as to the identity and qualifications of the persons granting the certificates. Candidates, whose certified works are in any way suspected by the examiners, will be liable to have their examination invalidated and also to be debarred from appearing for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit.

It must be particularly noted that the drawings, etc., of each candidate should be submitted in a separate roll for each subject and for each grade (*i.e.*, the drawings, etc., for a number of subjects should not be rolled up together), and that the drawings, etc., of a number of candidates should not be sent in one and the same roll. *Also, on the outside of each roll for each subject, each candidate should enter the following particulars in ink :—*

(1) Name of candidate,
(2) Subject,
(3) Grade, and
(4) Total number of drawings in each roll

As the application has to be kept in the office and as the drawings, etc., have to be forwarded to the examiners, the application itself should be sent in a *separate* cover and *not rolled up* with the drawings, etc.

A candidate who failed, or having applied, did not appear, at a previous examination, must submit fresh drawings, etc. The drawings, etc., submitted will on no account be returned

8. Candidates must send in their applications made out on *printed forms, so that they reach the Commissioner's Office on or before the 23rd February next, after which date no applications will be received.* Only one form of application should be used by each candidate, although he may bring up several subjects and come up for different grades.

9. Candidates in the mofussil should obtain the required application forms from the treasury of the taluk in which they are resident or of the district to which they belong. Candidates who are residents of Madras should apply for application forms at the Office of the Commissioner for Government Examinations, Old College, Nungambakkam, and not to the Collector of Madras.

N.B.—No notice will be taken of any application from mofussil candidates requesting to be supplied with application forms from this office.

10. The following is the scale of fees to be paid by candidates for admission to the examinations :—

	Intermediate.	Advanced.
	Rs.	Rs.
For each subject	5	10

11. The prescribed fee must be paid in every case into a Government treasury, or, if at Madras, into the Bank of Madras, and the receipt given by the Treasury Officer or the Bank of Madras attached to the application, which must in every case reach the Commissioner's Office on or before the 23rd February next *The fees will, as an account, be received in the Commissioner's Office whether sent to each or by Post Office orders. No application will be registered unless it reaches the Commissioner's Office by the date prescribed.*

12. Applications should be sent to the undersigned, post paid, superscribed and addressed as follows, the receipts for the fees paid *being securely fastened to them.*

☞Candidates are warned that the application itself *should not be enclosed* with any drawings, plans, surveys, field-books, estimates, or other "certified works" that may be sent, but should be submitted in a *separate* cover.

[*Application for admission to the Government Technical Examinations.*]

The Secretary to the Commissioner
for Government Examinations,

[*N.B.*—Candidates anxious to assure themselves that their applications have been received should enclose *an addressed post card on their respective applications.* The post-card should bear the sender's address only, and no other writing. Such post-cards will be returned to them in due course with the "Received" stamp of the office impressed upon them. No other form of acknowledgment except that required by the postal rules regarding registered covers can possibly be given, nor will any notice be taken of any letter from any candidate enquiring whether his application has been received. SALT, ABKARI AND CUSTOMS DEPARTMENT.

NOTIFICATION.

No. 2, dated 25th January 1909.

NOTICE OF SALE OF ABKÁRI AND OPIUM PRIVILEGES.

Notice is hereby given that the number of independent shops appointed for the sale of liquor, opium and intoxicating drugs during the twelve months beginning 1st April 1909 and ending 31st March 1910, and the local limits appointed for them will be notified by Collectors in their District Gazettes and that the privilege of sale therein will be put up to public auction on the dates, at the places and by the officers to be notified by Collectors subject to the conditions hereinafter set forth.

Conditions of Auction Sale.

II. The districts in which independent arrack shops, foreign liquor taverns, beer shops, ganja shops and opium shops, respectively, will be sold are specified below :—

Independent arrack shops.	Foreign liquor taverns	Beer shops.	Ganja shops.	Opium shops.
1	2	3	4	5
From 1st April 1909.				
Throughout the excise tracts of the Presidency including the Banganapalle State.	In all districts except Ganjam and Trichinopoly.	In the districts of Bellary, North Arcot, Tanjore, Trichinopoly, Madura, Coimbatore and Salem.	Throughout the Presidency.	Throughout the Presidency

Arrack and ganja wholesale depot licenses will be issued for all districts. Particulars regarding them will be found in clause XVI below. A separate notification will be issued regarding fixed fee foreign liquor licenses.

III. A deposit must be made by each bidder previous to bidding and will be secured by the selling officer on the day of sale. A deposit of Rs 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the Kurnool district, the officer conducting the sale may, where he finds it necessary, require a deposit of Rs. 10 only from bidders for arrack shops. In the South Canara district, the selling officers may at their discretion reduce the deposit to Rs. 2 for shops whose average monthly rental does not exceed Rs. 2.

IV. The shops will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the Collectors. The reserve price placed by Government on the shops will not be published, but the average of the previous five years' rentals will be notified by the Collectors, wherever possible, for the information of bidders.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

VI. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Abkári Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative, after recording his reasons for doing so.

VII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid, unless revised by the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any officer appointed by him.

VIII. In case of dispute the selling officer's decision shall be final. If for any reason the highest bid is rejected the next highest shall be taken or the shop re-sold at his discretion.

IX. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* of half a month's rent (in addition to the deposit made under clause III) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause III will be forfeited and the shop will be put up again immediately by the selling officer on the above conditions or otherwise disposed of by the Collector and the defaulter will be debarred from bidding again for the same or for any other shop.

X. Persons to whom shops have been knocked down and who have made deposits as provided in clauses III and IX shall also deposit * such further sum as with the former deposits will make up two months' rent (to be paid within ten days from the date of communication of the Collector's acceptance of the bid) and shall without unnecessary delay execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this clause, the excess will be refunded unless the purchaser is required to deposit twice that sum under clause XI *infra*.

XI. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit twice the sum prescribed in clause X *supra*, or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (article 34, schedule I, Act II of 1899) and registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XII. On the failure of any person to make deposit under clause X or to comply with the requisition under clause XI *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made may be forfeited and the shop resold under the orders of the Divisional Officer on the dates notified by the Collector or otherwise disposed of by the latter officer.

XIII. Re-sales effected under clause XII will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of Land Revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with original sale.

XIV. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

XV. The deposit referred to in clause X or clause XI, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Tahsildar † send licenses as agent it may be credited towards the last instalments of the kists payable by the latter.

Condition of Issue of Licenses for Wholesale Vend of Arrack and Ganja.

XVI. Applications for the privilege of the wholesale vend of country spirits and of intoxicating drugs prepared from the hemp plant should reach the Collectors concerned on or before the 1st March 1909 and each should be accompanied by a fee of Rs. 15 which will be returned to those persons whose applications for licenses are not approved. The grant of licenses confers no exclusive privilege, and it will be open to the Collector to grant licenses under like conditions to other persons at any time during the currency of the licenses for which applications are now invited. Licenses for the wholesale vend of arrack will be granted to private persons only if they have obtained the consent of the arrack supply contractor of the district to the opening of their depots. If such depots are not worked to the satisfaction of the Collector, they may be closed at any time.

The licenses issued under the above clauses will contain the following general conditions common to all abkári and opium licenses and the special conditions prescribed below for each particular kind.

General Conditions applicable to all Abkári and Opium Licenses.

1. Contract suppliers of country spirits are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants in any part of their farms and from employing any person who has such interest. This prohibition does not extend to the wholesale supply of foreign liquor or

* Deposits may be in cash or other approved security. † Includes Deputy Tahsildar in independent charge.

of rectified spirit to licensed vendors; nor does it prevent distillers from holding an interest in the retail sale of country spirits in areas other than those for which they have been granted the supply contract.

2. The limits within which sales under any abkári or opium licenses may be carried on will be specified by the Collector at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, opium or intoxicating drugs outside these limits is prohibited.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communication between the depot or shop and an adjoining dwelling-house, they must be kept locked at night. In the case of arrack shops and taverns in Municipalities, or towns having a population of 20,000 and over the shop premises shall have no doors except into the main street; there shall be no possible means of ingress or egress in any other direction; the interior of the shop shall be sufficiently lighted by day and the shop shall not be used as a place of residence save by the vendor and his family or caretakers.

4. Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (chemists and druggists and medical practitioners excepted). The possession upon any licensed premises of any liquor, opium or intoxicating drug except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor is prohibited. But intoxicating drugs made from opium or the poppy other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium. In shops which are clearly of a superior character private bars may be sparingly allowed by the Collector, under a special license to be granted by him free of fee, provided that the interior of the bar is wholly visible from the doorway and that the entrance to it is either through the main door of the shop or through a separate door clearly labelled, or provided with a proper signboard to show its nature.

5. A sign-board must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernacular and, in the case of taverns and wholesale depots, in English also. The license must be hung up in a conspicuous place within.

6. All liquor, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorized to detain any liquor, opium or intoxicating drug found unfit for consumption or use, or which they may believe to have been tampered with, and all Collectors and Deputy and Assistant Commissioners of the Salt, Abkári and Customs Departments are empowered to destroy such as are found unfit for consumption or use.

7. The sale or transport of liquor, opium or intoxicating drugs by persons below the age of 14 or by persons suffering from leprosy or any contagious disease and the employment of such persons in shops or depots for the sale of the same are prohibited. The Divisional Officer may, where necessary, call for the names of all persons employed or proposed to be employed in depots or shops and forbid the sale of liquor, opium or intoxicating drugs by any person of whom he may disapprove.

8. No depot or shop shall be opened before sunrise or kept open after 9 P.M.* except under special authority.

9 No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

10 No robbers or thieves or disorderly or riotous persons shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police officer.

11. No person shall be harboured in any depot or shop during the night.

12. Depots and shops situated on or adjacent to the line of march must be closed, if the Collector so orders, while a regiment or detachment of European or native soldiers is passing or is encamped in the vicinity. Collectors or Divisional Officers shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shop-keeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

13. The Collectors may order the transfer of depots and shops from one locality to another or their closure or the opening of new depots and shops within limits as to number to be fixed by the Board of Revenue in their discretion. But no new shops should be opened unless notice of the sites selected has been published in the District Gazette six months before the commencement of the lease and no such changes as affect the interests of adjacent shopkeepers shall be made during the currency of a lease except under special sanction of the Board. The Collectors may at any time permit the transfer of a shop within the limits notified for the shop in the sale notice.

14. The right is reserved to the Collector to grant "Occasional Licenses" for the sale of liquor, opium and intoxicating drugs, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. This power in regard to country spirits and toddy may also be exercised by Divisional Officers. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed ten days, and the fee to be paid therefor shall be fixed at the discretion of the officer issuing licenses.

15. No liquor, opium or intoxicating drug shall be sold or given—

(a) Except at shops specially approved by the General Officer Commanding the Division (or Independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect

(c) in any circumstances, to any—
(1) European vagrant under escort of the Police,
(2) child under fourteen years of age;
(3) insane person; or
(4) person known or believed to be intoxicated

16. No privilege of supply or vend shall be sold, transferred or sub-rented without the Collector's previous permission. Nor, if the Collector so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

17. No holder of any abkári or opium license will be allowed, without special permission from the Collector, to possess any interest in any abkári or opium license in any foreign territory or British territory in which the duty is lower, adjacent to the district to which he holds his license

18. Depots and shops must be kept open unless their temporary or permanent closure is authorized under condition 12 or 13 *supra* and such supply of liquor, opium or intoxicating drugs as the Collector may consider sufficient to meet local requirements must be maintained therein. Shops not opened by dates to be fixed by the Collector shall be liable to be resold at the risk of the licensees.

19. No liquor, opium or intoxicating drug shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shopkeepers or firms of standing and respectability dealing in foreign liquor for consumption off the premises.

20. No liquor, opium or intoxicating drug shall be sold either below or above such minimum * or maximum † prices as may be fixed for sale of the same in accordance with the law for the time being in force.

21. No liquor, opium or intoxicating drug in excess of the quantity prescribed ‡ for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit; nor shall liquor or intoxicating drug be sold at wholesale depots in quantities less than the minima prescribed

22. True accounts of transactions shall be maintained from day to day in ink in the prescribed form. § The accounts and permits shall be in printed books The account books may be obtained from local Revenue officers on payment of cost price. The permit books can be obtained at all Circle offices on production of receipts for the payment of the cost price into a Government Treasury. Permits for liquor, opium or intoxicating drugs removed and the counterfoils of permits issued must be carefully filed The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by an officer not below the rank of Assistant Inspector of the Salt, Abkári and Customs Department.

23. Such returns and information as may be required by the Divisional Officer from time to time shall be furnished by holders of licenses.

24 Only such weights and measures as may from time to time be prescribed by the Commissioner of Salt, Abkári and Separate Revenue shall be possessed or used on any licensed premises, and they shall be tested and stamped by the stamping establishment of the district if the Collector shall so direct. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment.

25 The officers authorized to inspect licensed shops and depots are—

(1) any officer of the Revenue Department of rank not lower than Revenue Inspector, and
(2) any officer of the Salt, Abkári and Customs Department of rank not lower than Sub-Inspector.

§ The only toddy shops to which this condition applies at present are those in the Madras Town Circle.

These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, opium and intoxicating drugs under sale, and to call for and check the accounts kept in the shop or depot. Police officers will also make inspections when it comes within the scope of their duty.

26. An inspection note-book, with the pages numbered consecutively, for inspecting officers to enter their remarks in, shall be maintained, and be handed over to the Inspector of the Circle or any officer authorized by him to receive it on a receipt being given therefor.

27. The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the * 10th of each month beginning with April or October as the case may be. Fees for depots should be prepaid.

28. No remission or abatement of the rent shall be claimable on any account whatever.

29. Any sum due by a licensee may be collected * under the Revenue Recovery Act or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Tahsildar.†

30. Power is further reserved to Revenue officers to suspend * licenses in case of failure of payment of kists or (in the case of toddy) tree-tax also on the due dates. In the case of arrack, toddy, ganja and beer shops and taverns, this power will be exercised by Tahsildars, † in the case of opium shops by Divisional Officers and in other cases by the Collectors.

31. In the event of suspension of a license for failure to pay arrears, the privilege of sale will be re-sold with effect from the date of issue of license to the new purchaser or otherwise disposed of at the Collector's discretion. All losses on account of suspension and re-sale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending re-sale or other disposal of the privilege.

32. Interest on all moneys due shall be payable at the rate of 6 per cent. per annum.

33. Infraction of any of the conditions of the license either by a licensee or by any person in his employment will entail on the licensee—

Either (*a*) fine up to Rs. 50,

or (*b*) forfeiture of deposits, if any, and cancellation of license and re-sale or other disposal of the privilege at the risk of the licensee.

The licensee or his agent may also be prosecuted for the specific offence committed.

The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

Note.—For continuing breaches of a license, continuing fines may be imposed.

34. The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license. Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.

35. Licensees are bound to report to the Divisional Officer all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Abkári / Opium laws or of engagements entered into by them and to comply with the Divisional Officer's orders respecting the continued employment of such persons. No persons who have been convicted under the Indian Penal Code shall be employed in the carriage or sale of liquor, opium and intoxicating drugs without the Collector's previous permission.

36. Pecuniary dealings by licensees of any kind whatever with officials of the Salt, Abkári and Customs Department are absolutely prohibited.

37. With the sanction of the Board of Revenue, any license shall be revocable by the Collector at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

38. All licensees shall be bound by any additional general rules that may be prescribed under the Abkári / Opium laws and, if so required by the Collector or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.
